PRESS RELEASE
FOR IMMEDIATE RELEASE: 23 JANUARY 2019

THINK LIKE AN ART WORLD EXPERT

**NEW PODCAST SERIES LAUNCHES TODAY FOR THOSE
INTERESTED IN A CAREER IN THE ART WORLD**

Christie's Education new podcast series, *Think Like an Art World Expert*, maps careers in the art world beyond the roles of curators and gallerists, offering listeners in-depth interviews with a variety of specialists, sharing insights on how they reached their position, what their role entails, skills they have collected along the way, and offering tips on how to get the art world career of your dreams.

With a new episode released every Wednesday, the six-week podcast series will feature Nico Epstein, Director of online art advisory platform Artvisor; Anakena Padden, Studio Manager of Kevin Francis Gray; Flora Alexandra Ogilvy, Founder and CEO of digital arts platform Arteviste and India Whalley, Founder of The Dot Project Gallery; Geoff Lowsley, Art Collection Manager; Marine Tanguy, Founder and CEO of visual artist agency and fund MTArt Agency; and Bernadine Bröcker Wieder, Co-Founder and CEO of Vastari.

Presented by **Glen Hardwick-Bruce, Programme Director of Continuing Education London at Christie's Education**, *Think Like an Art World Expert* has been created for those who know they want to work in the art world but aren't quite sure where all the opportunities

may lie. “Whether they are new graduates or thinking of changing sector, it might be their first step towards making potential connections with people who could guide them in the direction of their next career move,” commented Glen Hardwick-Bruce.

The first episode of *Think Like an Art World Expert* is now available via SoundCloud, iTunes, Spotify, Acast and Stitcher. Click on this [link](#) to listen and to subscribe.

About Christie's Education

Christie's Education is a specialist provider of higher and continuing education, and an internationally recognised centre of academic excellence in the study of art business and the art market, art history and art world ecosystems, curating and connoisseurship. Our teaching philosophy is rooted in a knowledge culture that respects original enquiry and learning and that reflects a commitment to principles of equality, diversity and inclusivity.

Christie's Education offers master's degrees in London and New York, and is dedicated to preparing students for entry into the art world, placing great importance on analytical skills, object-based learning, research and scholarship, and the practical experience of art and business as the keys to professional success. Studies are reinforced with a rigorous professional development course and all students are offered an integrated art world work placement as part of their degree.

Christie's Education also offers a wide range of continuing education opportunities in London, New York and Hong Kong, designed to introduce the fundamentals of art, collecting and art business, as well as advanced and certificate courses for those with an appetite to study at a deeper level. In addition, our online courses provide a fully immersive experience of the art world, enabling anyone in the world to access learning at the click of a button.
